

PLANET ACTION
Spot the impacts, engage in action

An Ivorian project for West Africa: the Centre for Rural Innovation

BEDEVELOPMENT, IVORY COAST

Earth Observation and GIS communities fighting the climate crisis

SPOT5, Ivory Coast - 2003

Why

The aim is to start a centre of excellence federating partners to develop the potential of eco-technologies in rural conditions.

What for

- Enhance innovative activities that will support rural populations.
- Ensure necessary knowledge to improve the day to day lives.
- Contribute to the development of clean mechanisms.

Results

- A national collaborative network of new information regarding satellite communications and space imagery.
- Programs for research and rural innovation.

Where

Ivory Coast

Who

Team

- PNUD
- FAO
- UNEP

Planet Action is a non-profit initiative launched by Spot Image and joined by participating partners.
